

Martina Esposito

Graphic designer

My lifelong passion for lettering and illustration fuels my love for helping others communicate effectively. When I'm not designing, you might find me hanging on an aerial hoop or watching one of the 361 videos in my YouTube playlist called "things I wanna learn".

Work Experiences

Factanza Media

Jan - Apr 2022

Graphic designer

Surrounded by news coming every minute I learned to visually summarize complex information. I designed posts and animated videos for their social media profile, together with presentations and articles for their webpage.
